 - Lebanon
 - British Channel Islands
 - ii) The following plant will be newly added to the provision of "Plants".
 - *Populus*
 - (2) *Bactrocera dorsalis* species complex (Item 2 of Annexed Table 2)
 - i) The following plant will be newly added to the provision of "Plants".
 - Fijian longan (*Pometia pinnata*)
 - (3) *Bactrocera cucurbitae* (Item 4 of Annexed Table 2)
 - i) The following 2 countries will be newly added to the provision of "Region/countries".
 - United Arab Emirates
 - Ghana
 - ii) The following plant will be newly added to the provision of "Plants".
 - Live flowers of Cucurbitaceae
 - (4) *Erwinia amylovora* (Item 16 of Annexed Table 2)

The following 3 Region/countries will be newly added to the provision of "Region/countries".

 - Iraq
 - Saudi Arabia
 - British Channel Islands
 - (5) *Anastrepha grandis* (Item 19 of Annexed Table 2)

The following 2 plants will be newly added to the provision of "Plants".

 - casabanana (*Sicana odorifera*)
 - *Fevillea cordifolia*
 - (6) *Anastrepha ludens* (Item 20 of Annexed Table 2)

The following plant will be newly added to the provision of "Plants"

 - apple (*Malus domestica* (syn. *Malus pumila*, *Pyrus malus*))
 - (7) *Bactericera cockerelli* (Item 1 of Annexed Table 2-2)

The following country will be newly added to the provision of "Region/countries".

- Australia

(8) *Aleurocanthus woglumi* (Item 6 of Annexed Table 2-2)

The following country will be newly added to the provision of "Region/countries".

- Georgia

(9) *Tuta absoluta* (Item 7 of Annexed Table 2-2)

The quarantine pest will be deleted from the list. *

(10) *Meloidogyne enterolobii* (Item 13 of Annexed Table 2-2)

i) The following country will be newly added to the provision of "Region/countries".

- Democratic Republic of the Congo

ii) The following plant will be deleted from the provision of "Plants" (Changes to be regulated at genus level).

- basil (*Ocimum basilicum*)

iii) The following 16 plants will be newly added to the provision of "Plants".

- *Eclipta prostrata*
- *Emilia sonchifolia*
- okra (*Abelmoschus esculentus* (syn. *Hibiscus esculentus*))
- *Cnidoscolus urens*
- *Cereus fernambucensis*
- waterleaf (*Talinum fruticosum* (syn. *Talinum triangulare*))
- purslane (*Portulaca oleracea*)
- *Passiflora mucronata*
- *Senna alata*
- papaya (*Carica papaya*)
- *Senna occidentalis*
- *Hydrocotyle bonariensis*
- pomelo (*Citrus grandis* (syn. *Citrus maxima*))
- *Panicum*
- *Amaranthus*
- *Ocimum*

(11) *Acidovorax citrulli* (Item 19 of Annexed Table 2-2)

i) The following country will be newly added to the provision of "Region/countries".

- Canada

ii) The following plant will be newly added to the provision of "Plants".

- citron melon (*Citrullus amarus* (syn. *Citrullus lanatus* var. *citroides*))

(12) *Xylella fastidiosa* (Item 23 of Annexed Table 2-2)

i) The following 3 countries will be newly added to the provision of "Region/countries".

- Lebanon
- Colombia
- Peru

ii) The following 2 plants will be deleted from the provision of "Plants" (Changes to be regulated at genus level).

- *Adenocarpus lainzii* (syn. *Adenocarpus complicatus* subsp. *lainzii*)
- *Celtis occidentalis*

iii) The following 8 plants will be newly added to the provision of "Plants".

- *Echinopartum lusitanicum*
- *Carpinus caroliniana*
- *Coleonema album*
- *Ailanthus altissima*
- crimson bottlebrush (*Callistemon citrinus* (syn. *Callistemon lanceolatus*, *Melaleuca citrina*))
- *Adenocarpus*
- *Celtis*
- *Halimium*

(13) *Potato spindle tuber viroid* (Item 24 of Annexed Table 2-2)

The following country will be newly added to the provision of "Region/countries".

- Canada

(14) *Pepper chat fruit viroid* (Item 30 of Annexed Table 2-2)

The following country will be newly added to the provision of "Region/countries".

- Türkiye

(15) *Tomato leaf curl New Delhi virus* (Item 37 of Annexed Table 2-2)

The following plant will be newly added to the provision of "Plants".

- common bean (kidney bean) (*Phaseolus vulgaris*)

(16) *Clavibacter michiganensis* subsp. *nebraskensis* (Item 39 of Annexed Table 2-2)

i) The following country will be newly added to the provision of "Region/countries".

- Republic of South Africa

ii) Live plants and plant parts for planting of the following plant will be newly added to the provision of "Plants".

- corn (*Zea mays*)

iii) The scientific name of a quarantine pest on the list will be changed from the left to the right.

- *Clavibacter michiganensis* subsp. *nebraskensis* > *Clavibacter nebraskensis*
