Pursuant to the Law on Standards and Technical Regulations No. 68/2006/QH11 and Law No. 70/2025/QH15 amending and supplementing a number of articles of the Law on Standards and Technical Regulations;

Pursuant to Decree No. 35/2025/NĐ-CP of the Government stipulating the functions, tasks, powers, and organizational structure of the Ministry of Agriculture and Environment;

Pursuant to Decree No. 37/2026/NĐ-CP dated January 23, 2026 of the Government detailing a number of articles and implementation measures of the Law on Product and Goods Quality;

Pursuant to Decree No. 22/2026/NĐ-CP dated January 16, 2026 of the Government detailing a number of articles and implementation measures of the Law on Standards and Technical Regulations;

At the proposal of the Director General of the Department of Quality, Processing and Market Development,

The Minister of Agriculture and Environment promulgates the Circular promulgating the List of Products and Goods with Medium Risk Level and High Risk Level under the Management Authority of the Ministry of Agriculture and Environment.

Article 1.

Promulgated together with this Circular is the List of products and goods with medium risk level and high risk level under the management authority of the Ministry of Agriculture and Environment as specified in the Appendix hereto.

Article 2. Implementation

1. This Circular takes effect from July 1, 2026.

2. This Circular replaces the following Circulars:

- Circular No. 16/2021/TT-BNNPTNT dated December 20, 2021 of the Minister of Agriculture and Rural Development promulgating the list of products

and goods capable of causing safety risks under the management responsibility of the Ministry of Agriculture and Rural Development.

- Appendix IV of Circular No. 01/2024/TT-BNNPTNT dated February 2, 2024 promulgating the HS codes for goods under the state management authority of the Ministry of Agriculture and Rural Development and the list of import and export goods subject to specialized inspection in the agricultural and rural development sector.

3. For products and goods for which no National Technical Regulation has been promulgated, quality management according to medium risk level and high risk level shall not be applied until the relevant National Technical Regulation is issued and takes effect.

In cases where the legal normative documents, National Technical Regulations, National Standards, and referenced documents used as the basis for inspection cited in this Circular are amended, supplemented, replaced, or newly issued, the new documents shall apply accordingly.

4. The corresponding HS codes for products and goods with medium risk level and high risk level are specified in detail in Circular No. 01/2024/TT-BNNPTNT dated February 2, 2024 of the Minister of Agriculture and Rural Development (now the Ministry of Agriculture and Environment) promulgating the HS code table for goods under the state management authority of the Ministry of Agriculture and Rural Development and the list of import and export goods subject to specialized inspection in the agricultural and rural development sector.

5. During implementation, if any difficulties or problems arise, agencies, organizations, and individuals are requested to promptly report to the Ministry of Agriculture and Environment for consideration and amendment../.

Cc:

- The Prime Minister and Deputy Prime Ministers;
- Government Office;
- Ministries, ministerial-level agencies, and Government-attached agencies;
- People's Committees of provinces level
- Ministry of Justice;
- Departments of Agriculture and Environment of provinces and cities;
